

## Traffic Tickets

Getting a speeding ticket in New York State can be expensive and time consuming. And if you have multiple speeding tickets or traffic violations on your record, you could face high monetary fines and lengthy license suspensions. As with any legal action, having a lawyer with you, or appearing on your behalf, in traffic court can aid in your ability to plea and negotiate within the court system. An attorney familiar with traffic law may be able to help minimize the number of points added to your license by negotiating a lesser violation, which in turn could lower your potential fine and avoid negative impacts on insurance premiums. Having legal representation in traffic court can also make the process easier for you to understand as a whole and as close to hassle-free as possible.
