

Criminal Law

If you are arrested, the government will go to great lengths to prove you committed a crime. No matter what the charges are against you, it's a David vs. Goliath situation. You need an experienced criminal defense attorney to make it a fairer fight to ensure you receive the best outcome possible. The Tully Rinckey PLLC Buffalo criminal defense team – led by William Curtin, Esq. – offers clients a wealth of experience. As a Retired New York State trooper with 24 years of experience and someone who has practiced criminal law for more than 8 years, Curtin has experience on both sides of criminal cases. His knowledge of police and court procedures can help clients when they face criminal charges. Curtin isn't the only member of the Tully Rinckey PLLC criminal defense team with experience in how the other side handles criminal cases. Some team members worked as assistant district attorneys, while another served as a special assistant United States attorney for the Eastern District of Virginia. One has so distinguished himself in court that he's been certified as a "learned counsel" for federal death penalty cases. We are familiar with the strategies prosecutors frequently use and know how to counter them. Tully Rinckey PLLC has attorneys available 24 hours a day, seven days a week.
