

## Drug Manufacturing and Sales

In New York, drug manufacturing and sale crimes carry the most severe penalties and are vigorously prosecuted. Western New Yorkers convicted of these offenses could end up facing lengthy imprisonment, probation, heavy fines and fees, the loss of their driver's license, and mandatory drug testing. Even if small amounts of marijuana, heroin, cocaine, or other controlled substances are involved, the legal consequences can be severe. **What We Can Do for You**

You need an experienced criminal defense lawyer to minimize or eliminate the consequences of the criminal charges you face. Our drug crime defense team includes a former prosecutor and public defender. Together, the team has over 40 years of experience practicing criminal law and has defended people throughout upstate New York in hundreds of felony and misdemeanor cases. Don't put your rights at risk. Call Tully Rinckey PLLC in Buffalo, N.Y. to schedule a free
