### **Senate Passes Bill For State Contract Set-Aside For Disabled Veterans**

**The New York State Senate today passed legislation ( S6865**

**) sponsored by Senator Greg Ball (R, C, I – Patterson), Chairman of the Senate Veterans, Homeland Security and Military Affairs Committee, to facilitate the awarding of state contracts to disabled veterans. The bill will create a six percent state contract set-aside for service-connected disabled-veteran owned small businesses. The “Service-Disabled Veteran-Owned Business Act” will ensure New York State’s service-connected disabled veterans are better able to compete for millions of dollars in state contracts. The set-aside is very similar to the highly successful three percent preference that the federal government offers. A three-way agreement on the bill was announced during the Governor’s Veterans and Military Families Summit held last week in Albany. “New Yorkers can stand tall and proud today knowing that we have kept America’s promise to our veterans and service-disabled heroes. This landmark legislation will create tens of thousands of jobs for veterans statewide and will allow service-disabled veteran small business owners to tap into hundreds of millions of dollars in state contracting,” said Senator Greg Ball. “This single act will do more to reverse the high veteran unemployment rate than anything else we have done, or will do. Yet beyond just creating jobs, this is about saving lives, and confronting the epidemic of veteran suicide through meaningful employment. We have been fighting to establish this set-aside for years and I want to sincerely thank Governor Cuomo for giving us the backing we desperately needed at a critical time.**

**Governor Cuomo is to be applauded for keeping his commitment to our heroes.” “Let it be clear that this is not a handout, this is an opportunity for both employee and employer,” Senator Ball said. “These men and women have the exact skill sets we need in the workplace and the integrity we desperately need in the board room. The same attributes that make these people so vital to defending our freedoms are the same hard-earned intangibles that make them exceptional at running their businesses and creating jobs. This is what good people can accomplish when they forget the politics and just focus on doing the right thing. Bravo to all involved, bravo!”**

contributions "LITERALLY THE BEST MONEY I EVER SPENT!!! The USAF charged my son with Article 92 Violate General Order and Article 128, Simple Assault. I spoke to many attorneys, who said to me, "Your son will be convicted of the Simple Assault because putting lotion on someone's face is considered an assault as it is an unwanted touch. They all wanted me to work on a plea deal with the government that ended with my son being discharged, spending time in the brig and having a federal conviction for the rest of his life. Knowing that this just didn't warrant a federal conviction, bad conduct discharge and time in the brig, I was on a search to find an attorney who would look at this case for what it was: a couple of 19-21 year-old immature young men horse playing. I was looking for someone who would say something different; someone who would be able to look at the case from more than one view. When I spoke to Mr. Rinckey, I thought I was going to get the same ole speech, but to my surprise, I IMMEDIATELY felt at ease and I knew right then that he was going to be my attorney (not sure if he knew it at this time). He took on this case with vigor and ZERO FEAR of the government! He wanted them to know that this was NOT going to go away with any plea deal! And he went to work! Then LITERALLY 2 DAYS BEFORE trail the government added an additional charge, which was Article 134, Unlawful Entry. Mr. Rinckey stayed focused, developed a plan, and off to trail we went. He was so prepared, calm and at ease, I remember him saying to me, "I am ready to try this case." And yesterday - 14 APR 2016 - my son was found NOT GUILTY on ALL CHARGES AND SPECIFICATIONS!!! Yesssss!!! You know, it's always hard to find money for an attorney, but I learned one thing with this case. Although I thought we couldn't afford an attorney, the truth of the matter was that we couldn't afford NOT TO HAVE an attorney. I only wish I had found Mr. Rinckey sooner, but that's okay. I have found my ATTORNEY for life," Y.W. on Founding Partner on Greg Rinckey, Esq. Prior results do not guarantee similar outcomes.
