

Military Law

The military's traditional values of duty, honor, and integrity form the foundation of Tully Rinckey PLLC in Rochester, N.Y., which is a service-disabled, veteran-owned small business. Our founding partner is a lieutenant colonel in the New York Army National Guard, where he serves as a field artillery officer. Since founding the firm, he has been deployed to Iraq, Egypt, and Afghanistan, with his last combat deployment resulting in the awarding of the Purple Heart and Bronze Star. The firm's managing partner also served as an Army lawyer in Army Judge Advocate General's Corps (JAG). With former service members – including former JAG attorneys – making up our military law team, we are familiar with the unique legal situations in which both former and active service members find themselves. Almost all of military law practitioners were soldiers before we were private military attorneys. Our military team includes the following attorneys: Lieutenant Colonel (NYARNG, Ret.) Mathew B. Tully

Former Active Duty Army Officer and JAG Greg Rinckey

Former Active Duty Air Force JAG Larry D. Youngner
