

## Property Crimes

Property crimes involve the wrongful taking, damaging, or encroaching upon property and include larceny, arson, trespassing, and burglary. How valuable the property is and how the crime was committed greatly influences the severity of the charges. If you've been arrested for a property crime and do not have an experienced attorney representing you, you could face – if convicted – prison, jail, probation, parole, restitution, and fines. **How We Can Help**

The criminal defense team at Tully Rinckey PLLC is experienced in representing individuals charged with property crimes, such as theft, arson, and trespassing. We provide legal defense to anyone arrested or under investigation for a property crime. Call us today for a FREE
