

Adoption

As exciting as adopting a child can be, the process of doing so can also be nerve-racking. Adoption in New York State can be extremely complex, and if it is not executed properly then you could put your family at risk. Missing paperwork can be problematic. Failures to properly establish a legal parental relationship or to terminate the birth parents' rights could also lead to serious problems down the road. For example, a birth parent could pursue litigation to reclaim the child. No matter what happens, you can count on Tully Rinckey PLLC in Rochester, N.Y. to aggressively defend your rights as a parent. **How We Can Help**

Whether you are a prospective adoptive parent, birth parent, grandparent, step parent, or same-sex parent in New York's Finger Lakes region, we can represent you in the adoption process. Our adoption attorneys have represented parents in a variety of adoptions, including open adoptions, agency adoptions, grandparent, stepparent, and second parent adoptions, and international adoptions. Don't make adopting a child any harder than it already has to be. Get an experienced adoption attorney on your side. Call Tully Rinckey PLLC for your initial consultation.
