Attorney Attention. End-To-End Service. Prompt Action. No Red Tape.

This is what you can expect when Tully Rinckey PLLC's Social Security law attorneys go to work for you.

In addition to our more than two decades of experience in the Social Security law arena, we provide you with an attorney – not an assistant – who will devote his personal attention to your case from start to finish. He will address each stage of the Social Security Disability Insurance (SSDI) and Social Security Income (SSI) process so you don't have to, with emphasis on your unique situation. Such personalized, end-to-end attorney attention is the hallmark of Tully Rinckey PLLC's Social Security law practice. If you are denied benefits, you will have a limited time to appeal as well as a convoluted maze of red tape to navigate. Prompt action and knowledge are critical in this situation. Our Social Security law attorneys will leverage both to cut through the red tape that snags many claimants, and fight to secure the benefits you deserve. There is no need to shoulder the burden of an appeal to the Social Security Administration (SSA) alone. Let Tully Rinckey PLLC do it for you today.

Without question, some mental and physical disabilities can impair a person's ability to work. But that does not mean such individuals should be denied a steady source of income. The federal government has established two benefit programs, which are administered by the Social Security Administration (SSA), to assist individuals who are unable to work because of their disability. One program is called Social Security Disability Insurance (SSDI) and the other is called Supplemental Security Income (SSI). Generally, your age, disability, work history, and income are factors that will influence whether you are eligible for SSDI or SSI benefits. Tully Rinckey PLLC in Rochester, N.Y. is experienced in helping disabled individuals obtain and retain SSDI and SSI benefits that allow them to maintain a standard of living or secure food, clothing, and shelter. Call us today to schedule your free

initial consultation with an experienced Social Security attorney in Rochester, NY who can help you apply for SSDI or SSI benefits or appeal SSA decisions denying, reducing, or terminating them.
