

Drug Manufacturing and Sales

There are grave consequences for selling or manufacturing drugs in New York. When these offenses involve drugs such as marijuana, heroin, cocaine, methamphetamines, or hallucinogens, the penalties can include imprisonment, driver's license revocation or suspension, mandatory drug testing, and registration as a narcotics offender. How We Will Help

The drug offense attorneys at Tully Rinckey PLLC in Syracuse are experienced in representing people charged with the drug manufacturing and sale offenses such as: Criminal sale of a controlled substance

Criminal sale of a controlled substance to a child

Criminal sale of a prescription for a controlled substance

Unlawful manufacture of methamphetamine

Criminal sale of marijuana

Tully Rinckey PLLC offers FREE

criminal defense consultations. We will listen to your story, believing that anyone who walks through our door is innocent until proven guilty. We urge people to call a lawyer before making a statement to law enforcement. Know that your statements can be twisted or taken out of context by prosecutors to support your conviction. We always have an attorney available for emergencies, 24 hours a day and seven days a week

. Tully Rinckey PLLC's drug manufacturing/sale attorneys in Syracuse, N.Y. will help by:
Listening to you
