

## **"AWESOME Attorney" - R.J.**

“Barbara King is an AWESOME attorney and if she is representative of your staffing in general then you must be the preeminent law firm in the capital district. I could not be any more pleased with the services provided to me. Although I am not a wealthy client, I feel as though I have been cared for in a manner that exceeds my personal contribution to the firm’s finances. The caring and compassion shown to me by Barbara and the staff has been very affirming to me in what is a difficult time in my life. Thank you!” – R.J. on partner Barbara J. King
